INSPIRING THE NEXT GENERATION OF CODERS & MAKERS

Digital Makers Club Term 2

Golden Valley School (Years 3 - 6)

Tuesdays 3:30–4:30pm (in school)

Help your child build confidence at Digital Makers Club, where they'll learn to design, code, and create using a range of exciting digital technologies. They also learn to collaborate with each other in a fun and friendly environment. The lessons are tailored to suit different year groups.

The children use block programming to create games and stories using their favourite characters. Your child will learn about algorithms, problem solving and digital skills.

Every term your child is challenged with new coding activities and puzzles that build computational thinking.

TERM 2 DATES

03 November **01 December**
10 November
17 November
24 November

The club is suitable for all - both beginners and more advanced coders. For more information and to register visit:
