Dear Parents/Carers

Aspens School Meals

School meals in KS1 are funded by the Government's Universal Infant Free School Meal initiative. When your child moves up to Year 3 in September, fees for school meals will be chargeable at £2.80 per day and must be ordered using Aspens Select.

If you do not book a school meal for your child then you must provide a packed lunch for that day. Meals must be ordered by 8.00am on the day required, as this is the cut-off point and the catering team will prepare meals based on the number of orders at that time. We would recommend you order meals at least every weekend for the following week, but you can order a whole term at a time if you prefer. **If you have booked a meal and your child will not be attending school (e.g. unwell, attending an appointment etc) you must log into the system and cancel the meal or you will still be charged.**

If you believe your child may be entitled to receive Free School Meals, please apply online at <https://n-somerset.gov.uk/my-services/schools-learning/local-schools/free-school-meals>. You will receive an instant response and if successful please email the school office so that we can update our systems. If your child already receives the Free School Meals benefit you should continue to order their meals via Aspens Select.

If you have any questions or concerns, please do not hesitate to contact the school office.

Yours sincerely

R Riordan
