Dear Parents / Carers

Y1 Animal Handling Workshop – Thursday 2nd April (in school)

We have arranged for a visiting expert from the North Somerset Bird of Prey Centre to lead the children in an Animal Handling workshop, as part of our Science project this term, on 'Learning about different animal types and the food they eat'. This exciting workshop will enrich the curriculum and allow the children to undertake activities we would not normally be able to provide. However, unfortunately, we have to ask for your support to cover the cost of this experience which is £10.00 per child.

Please note that the event will only take place if sufficient funds are available. If you feel you are unable to make a voluntary contribution, please contact the class teacher without delay.

Please make your payment on ParentPay by Monday 30th March. If your child is eligible for PP funding, you will need to provide consent via ParentPay. Please let the school office team know if you require assistance with this.

Yours faithfully

Mrs Devanny & Mr Doul
Year 1 Teachers
